### **2003 / 2004 FINANCIAL YEAR**

#### **OVERVIEW**

Our organization has been providing Corporate Adventure Training, Team Building program's, Leadership training and other activities, in Victoria and NSW for over 14 years.

We are also currently (in association with C J Richard's and Associates) offering Corporate Activity support on the West Coast of Tasmania as well as providing Training and co-ordination support to his organization at locations such as Binna Burra, Coffs Harbour, Blue Mountains etc.

**We specialize in one off purpose-designed activities to meet specific client needs** but also have a range of Standard products and Adventure Options that are ideal for conference and training support.

**Our standard** half, full and multi day program's have been used with success for other organizations and can be adapted to the requirements of most organizations.

#### **LOCATIONS**

We are **based** in the North East of Victoria but can operate in a variety of locations from The Blue Mountains to Melbourne environs. (We recently completed Tasks at Binna Burra in Queensland and at Coffs Harbour and the Blue Mountains)

### **ASSOCIATE ORGANISATIONS**

We have developed a network of associate organizations and trainers (etc) who provide activities and Programs that we can access and include into your Conference or Training program if desired.

### **PERMITS**

Permits (or some form of written permission) are normally required prior to conducting activities on private and public land.

In Victoria there is a formal land use system managed by Parks Victoria, while Council land often requires a case-by-case permission.

We have permits for all our Key operating areas and can obtain permission for other locations as required.

**INSURANCE**

We currently hold a \$10,000,000 Policy via the Victorian Tourism Operators Association.

**PRICES / PROGRAMME DETAILS**

Call us with your requirements and we will forward example program and activity costs or we can provide a detailed quote to meet your specific needs.
