### **SCHOOL GROUP ROCK CLIMBING**

#### **LOCATIONS**

We can facilitate rock climbing for School Groups at Mt Buffalo or Mt Pilot in North East Victoria as a stand - alone climbing activity or as an aspect of a camp or Multi-Activity program.

We can also run climbing at:

- Buchan
- Mt Macedon
- Werribee Gorge
- Other locations

#### **ACTIVITY**

Rock climbing sometimes requires a higher ratio of staff to students than say abseiling dependent on the location and difficulty of climbs to be attempted. Climbing will normally be conducted a full or Multi day activity.

At Mt Buffalo and Beechworth we can run a half-day abseiling and a half-day climbing package at introductory level.

#### **SUPERVISION**

We operate above the standards required of the Adventure Activity Standards (AAS) at [www.ora.org.au](http://www.ora.org.au) in that we will have one Leader supervising a maximum of two ropes each with one climber and two belayer's.

Australian and UIAA standard equipment is used, Helmets must be worn at all times.

Climbs do not normally require the use of specialist climbing shoes.

## **COSTS**

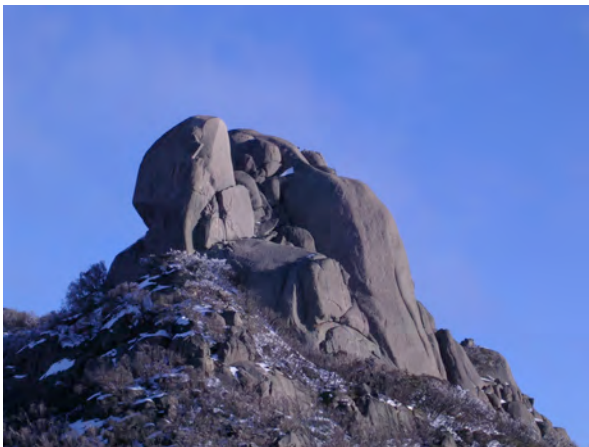

We will provide quotes specific to your activity requirements but as a guide the following will apply

- Single Day Buffalo or Beechworth ..... From \$660 for a Climbing team of up to 10 students on single pitch climbs (top or bottom belay)
- Two Days Climbing at Mt Buffalo ..... From \$1150 for a team of up to 10 students
